- ...and many more

More than just technology

Evolve Managed Services

Get the most value from your Jobvite partnership with services that...

- Show you how to leverage Jobvite to drive business outcomes
- Engage our subject matter experts to manage your marketing programs
- Augment your staff with TA operations professionals

Accelerate your talent acquisition evolution

Our proprietary EVOLVE Talent Acquisition Framework provides a roadmap for developing a top-performing TA team: one that energizes recruiters, delights candidates, and results in happy hiring managers. Our customer experience teams leverage EVOLVE to understand where your organization is currently in your TA maturity, identify your opportunities to move forward, and help you put advancement strategies into action.

About Jobvite

Jobvite delivers the Evolve Talent Acquisition Suite, an end-to-end solution, that takes a marketing-first approach to intelligently attract, engage, and activate dream candidates all while retaining the people who care the most about your organization. Jobvite combines the power of AI, automation, and the human touch. To learn more, visit www.jobvite.com or follow the company on social media @Jobvite.
